

PRELIMINARY AMENDMENT
U.S. PATENT APPLICATION SERIAL NO. 10/044,923
ATTORNEY DOCKET No.: 23452-507
CLIENT REFERENCE No. LOT9-2002-0001-US1

REMARKS

The specification has been amended to include the serial number of the referenced provisional application, which the instant application claims priority from, along with the serial numbers of commonly owned co-pending non-provisional patent applications. Accordingly, Applicants submit that no new matter has been added.

The claims have been amended to include claim 12, which was missing from the original application. Applicants respectfully submit that the application, as originally filed, included payment for claim 12. Accordingly, no excess claim fee is owed at this time.

CONCLUSION

It is respectfully submitted that this application is in condition for allowance and such disposition is earnestly solicited. If the Examiner believes that a telephone conference or interview would advance prosecution of this application in any manner, the undersigned stands ready to conduct such a conference at the convenience of the Examiner.
